Band: Super Furry Animals
Song: Sidewalk Serfer Girl

This song is about a woman (Patty Whitebull) who was in a coma for 15 years, but was able to dream throughout, and the first thing she did when she woke up was order pizza.

An acoustic guitar finger picks from A chord throughout verse, and at the end of each line an electric guitar plays the distorted D chord.

Then unexpectedly she woke to joy and tears
She ordered pizza and then asked about her kids
They re all grown up now on the reservation grid
