# Beauty From Pain Superchick

Verso:

Am C F

The lights go out all around me.

Am C

One last candle to keep out the night.

Am C F

And then the darkness surrounds me.

Dm

I know I m alive, but I feel like I ve died.

#### Verso:

And all that s left is to accept that it s over.

My dreams ran like sand through the fists that I made.

I try to keep warm but I just grow colder.

I feel like I m slipping away.

### Refrão:

Am C G F

After all this has passed, I still will remain.

Am C G F

After I ve cried my last, there ll be beauty from pain.

Am C G F Dm

Though it won t be today, someday I ll hope again,

G An

And there ll be beauty from pain.

F G Am

You will bring beauty from my pain

### Verso:

My whole world is the pain inside me

The best I can do is just get through the day

When life before is only a memory

I wonder why God lets me walk through this place

### Verso 3:

And though I can t understand why this happened I know that I will when I look back someday And see how you ve brought beauty from ashes And made me as gold purified through these flames

(Refrão)

## Pomte:

F E C Am

Here I am at the end of me

F E C Am

Trying to hold to what I can t see

F Dm

I forgot how to hope

C Am

This night s been so long

Dm

I cling to your promise

Е

There will be a dawn
