

Courage
Superchick

Verso:

Cm9 **Bm9**
I told another lie today
 G#7M
And I got through this day
 G#7M
No one saw through my games
Cm9 **Bm9**
I know the right words to say
 G#7M
Like I don't feel well
 G#7M
I ate before I came

Cm9 **Bm9**
Then someone tells me how good I look
 G#7M
and for a moment

For a moment I am happy
Cm9 **Bm9**
But when I'm alone
 G#7M
No one hears me cry

[Chorus]

Cm9
I need you to know
 Bm9
I'm not through the night
 Gm **G#7M**
Some days I'm still fighting to walk towards the light
 Cm9
I need you to know
 Bm9
That we'll be okay
 Gm **G#7M**
Together we can make it through another day

Verso:

I don't know the first time I felt unbeautiful
The day I chose not to eat
What I do know is how I changed my life forever
I know I should know better
There are days when I'm okay
And for a moment
For a moment I find hope

But there are days when I m not okay
And I need your help
So I m letting go

(Refrão)
