```

Verso 1:

```
C#m          A          E
This is the story of your life, a movie starring you
C#m          A          E
What s the next scene have for you to do
C#m          A          E
Leave the dishes in the sink; leave your fear there too
C#m          A          E
Live the story you would write for you
```

Pré-Refrão:

```
C#m
Say hey, hey wake your heart
A          E          B9
And break, break, break apart the walls that keep you from being you
C#m
And walk, walk towards the light
A          E
And don t stop til you live your life
B9
Like someone died for you
```

Refrão 2x:

```
E          B9
This is the time to try
F#m          A
Step out; your life is waiting
E          B9
And as you fall, you ll find
A
That you can fly
```

Verso 2:

```
C#m          A
```

You can find a million words

E

To build a wall of fear

C#m A E

Safe behind that wall, imprisoned here

C#m A

Take that someday step today

E

To whom you're meant to be

C#m A E

And turn your dreams to plans so you can breathe

(Pré-Refrão)

(Refrão)

Ponte:

C#m A

Ask anyone whose time is up

E

What they'd give for what you got

B9

And how they'd live your life

C#m A

Live like your life's worth dying for

E

You just walked out that prison door

A

And you'll know how to live your life

(Refrão 2x)
