Break The Glass
Superchunk

[Intro]
F#   D   F#   D   F#   D   F# D

[Verse 1]
F
Nothing looks familiar out there
      D#m
But everything s the same
              F#
It s just the center leaking out
                C#
While all the trees go up in the flames
        F
Almost pretty from a distance
          D#m
But it s hot beyond the glass
        F#
When the window breaks you ll feel it
          C#
And that thought might be the last

[Chorus]
B
Break the glass
            F#
Don t use the door
        C#
This is what
              B
The hammer s for
F#
Yeah

F#   D   F#   D   F#   D   F# D

[Verse 2]
      Fm
Everyone is acting normal
              F#
But no one s sleeping through the night

There s a glow under the nightstand
          C#
It s a sickly kind of light
        Fm
Maybe takes you down a hole

```
        D#m
Maybe leads you out of reach
      F#
Use the darkness as a cover
        C#
Meet your friends down on the beach

[Chorus]
B
Break the glass
            F#
Don t use the door
        C#
This is what
              B
Our hands are for

[Chorus]
B
Break the glass
            F#
Don t use the door
        C#
This is what
              B
Our hands are for
F#
Yeah

F#   D   F#   D   F#   D   F# D

[Bridge]
E  D#m  C#  F# x2

G#           A#m
Ohhhhh...ohhhh...

[Chorus]
B
Break the glass
            F#
Don t use the door
        C#
This is what
              B
Our hands are for

B
Break the glass
            F#
Don t use the door
```

```
          C#
This is what
              B
Our hands are for
F#
Yeah!

F#    D    F#    D    F#    D    F# D F#
```
