A E (let ring)

When we fell, who survived?

break:

A B C D High E

verse 2, prechorus, chorus, break

outro:

(similar to verse)

E E/D# C# B A B C# B

repeat

2nd guitar does this:

```
e -----7---7---7-----7---7---7---|REPEAT
B ---5---5---5---5---5---5---5---5---5---|
G -6-----6-----|
```

This goes on until the end of the song.

There is also some slide guitar but i have no idea how to tab that out, and even if i did, i don t play slide guitar, so it wouldn t help. Post it if you play slide guitar.

I just wanted to post this, to correct a few errors that the last person made, although he did an excellent job tabbing it out. I also added the outro.

Cheers,
Grant
