```
Born Again
Supergrass
 [Intro]
Dmadd9 G7 (x4)
[Chorus]
                Em
   whatever you want, it s all right
Α
   there s still a place in my heart, it s all right
[Verse]
Dmadd9
   there s something calm, you ll need no arms
                G7
you re over the moon, she said
Dmadd9
   you keep me warm, some other fawn
you re over the moon, she said
[Chorus]
                Em
   whatever you want, it s all right
Α
                                Em
   there s still a place in my heart, it s all right
Α
                \mathbf{E}\mathbf{m}
   whatever you want, it s all right
Α
```

there s still a place in my heart, it s all right
