LYRICS

Caught by the fuzz
Well I was
Still on the buzz
In the back of the van
With my head in my hands
It s like a bad dream
I was only 15

If only my brother could be here now
He d get me out and sort me out alright
I knew I should have stayed at home tonight

Locked in the cell

Feeling unwell
I talk to a man he says
Better to tell
Who sold you the blow
Well it was no one I know
If only you d tell us we d let you go
We d make it alright for you if you tell us what you know
We d make you wish you d stayed at home tonight

Here comes my mum
Well she knows what I ve done
Just tell them the truth
You know where it s from
You ve blackened our name
Well you should be ashamed
If only you re father could be here now
He d break down and he d throw you out for sure
I never should have let you out tonight
