Faraway
Supergrass

 [Intro]
C#   G#m   A   A/F#
A/F A/D# D   C

[Verse]
C#   G#m   A   A/F#
yesterday seems faraway and i can see it true
  A/F   A/D#   D   C
i don t believe you re leaving me with nothing on the tube
C#   G#m   A   A/F#
operating slowly as the air is growing thin
A/F   A/D#   D   C
wake me up each morning don t forget to plug me in
C#   G#m   A   A/F#
have you seen me lately i m as happy as a loon
A/F   A/D#   D   C
wait until your ship comes in and pasturise your crew

[Chorus]
    C#   F#   A   E
cos i don t believe in a life that i can t feel
    C#   F#   A   E
and i don t believe in a life that i can t feel

[Verse]
C#   G#m   A   A/F#
constellaions overhead shine lightly down on you
     A/F   A/D#   D   C
their influences unrelated to your present mood
  C#   G#m   A   A/F#
and i can see you re on your own although your heart is true
   A/F   A/D#   D   C
so come in cos your card is up your time is overdue

[Chorus]
    C#   F#   A   E
cos i don t believe in a life that i can t feel
    C#   F#   A   E
and i don t believe in a life that i can t feel

[Bridge]
C#   G#m   A   A/F#
A/F A/D# D   C

[Outro]
       C#
i ve made up my mind, the fire is lit

```
     F#
i had to find my bed, i d better lie on it
        A
but what does it matter i m lost in space
        E
i m just another loser in the human race
           C#
you re forcing my hand to make it plain
        F#
i m not very happy and i cannot explain
           A
well i can feel better, well looking the part
     E
i have to find a way to stay true to my heart
     C#
i love my girl and she loves me
     F#
i won t find another who can sail my sea
           A
she s in my head and on my mind
        E
i m off my rocker with a girl so divine
        C#
well here s the hour, and where will it end
     F#
I can t buy a t-shirt to impress all my friends
        A
i m trying my hardest, i m tryna fit in
        E
i ll make a new start, i don t know where to begin, yes yes
        C#
i ll make a new start, i don t know where to begin (i don t believe)
        F#
i ll make a new start, i don t know where to begin
        A
i ll make a new start, i don t know where to begin (that i can t feel)
        E
i ll make a new start, i don t know where to begin
        C#
i ll make a new start, i don t know where to begin (i don t believe)
        F#
i ll make a new start, i don t know where to begin
        A
i ll make a new start, i don t know where to begin (that i can t feel)
        E
i ll make a new start, i don t know where to begin

C#      F#      A      E
(ablib)
```
