Use slightly overdriven electric with reverb & maybe a bit of delay if you have it.

|                                      |    |    |    |
|--------------------------------------|----|----|----|
| Bb                                   | Eb | Bb | Eb |
| Here I see a time to go              |    |    |    |
| Bb                                   | Eb | Bb | Eb |
| We ll leave it all behind.           |    |    |    |
| Bb                                   | Eb | Bb | Eb |
| And if you know it s wrong, to fall. |    |    |    |
| Bb                                   |    |    |    |
| We re in it for the money,           |    |    |    |
| We re in it for the money,           |    |    |    |
| We re in it for the money,           |    |    |    |
| We re in it for the money,           |    |    |    |
| We re in it for the money,           |    |    |    |
| We re in it for the money,           |    |    |    |
| We re in it for the money,           |    |    |    |

(refrão)

|   |    |    |   |   |
|---|----|----|---|---|
|   | Eb |    |   |   |
| Got my mind made up,                        |    |    |   |   |
|   | F# | C# | C | B |
| Got my finger on the button, going way home |    |    |   |   |
|   | Eb |    |   |   |
| Got the sound turned down,                  |    |    |   |   |
|   | F# |    | C | B |
| Got a finger in my pocket, gong way home.   |    |    |   |   |

(verso)

|                                  |    |    |
|----------------------------------|----|----|
|                                  | Eb | C# |
| We ll all I can see is our love. |    |    |
|                                  | B  | G# |
| And all I can hear is her.       |    |    |
|                                  | Eb | C# |
| We ll all I can see is our love, |    |    |
|                                  | Eb | G# |

And all I can see is her.
