I got a girl and her name is Mary,
Dm
I like to shock her on a basis daily,
I like to push you over into my stream,
I like to point out that her teeth are green,
I tell you stories that you won t understand
I ll have you eating from the palm of my hand
Вb
I m gonna push you further into my dream
The back of every head hold something obscene

        Dm
Ahhhhh... ay ya ya
(verso)
I get the feeling you re not ordinary
I got a head like falling masonary
I ll cut your strings, ah yes, a puppet machine
I watch you drop and fall apart at the seams
I meant to get you, let there be no doubt
You wanna try and get your teeth knocked out
```
