lyrics:

Can you hear us pumping on your stereo?
 Can you hear us pumping on your stereo?
 Can you hear us pumping on your stereo?
 Can you hear us pumping on your stereo?
 Can you hear us pumping on your stereo?
 Can you hear us pumping on your stereo?
 Can you hear us pumping on your stereo?
 Can you hear us pumping on your stereo?

Life is a cigarette, you smoke to the end
 But if you rocket the middle bit
 Then you burn all your friends
 The wider your eyes, the bigger the lies, yes it s true

Can you hear us pumping on your stereo?
 Can you hear us pumping on your stereo?

Take a look through your window now
 You re all alone on the road
 Well you ll burn all your bridges down
 And now you re losing control
 The wider your eyes, the bigger the lies, yes it s true
 If you make a mistake where you couldn t relate to your groove, (yes, that s True)

Can you hear us pumping on your stereo?
 Can you hear us pumping on your stereo?
 Can you hear us pumping on your stereo?

Can you hear us pumping on your stereo?

Well now that I ve met you
And I love you as a friend
Yeah but your love is mogadon
Love is the end

Well, the wider your eyes, the bigger the lies, yes it s true
If you make a mistake well you couldn t relate to your groove, yes it s true

Can you hear us pumping on your stereo?
Can you hear us pumping on your stereo?
Can you hear us pumping on your stereo?
Can you hear us pumping on your stereo?
Can you hear us pumping on your stereo?
Can you hear us pumping on your stereo?
Can you hear us pumping on your stereo?
Can you hear us pumping on your stereo?
Can you hear us pumping on your stereo?
Can you hear us pumping on your stereo?
Can you hear us pumping on your stereo?
Can you hear us pumping on your stereo?
Can you hear us pumping on your stereo?
Can you hear us pumping on your stereo?
