INTRO:

Just play D for abit

VERSE1:

D
I wandered for a while I didn t have that
Em7
Far to go waiting for a letter only to discover that
      D
I m not the same
D
I know it to be true you re only gonna to
Em7
Go again standing at the harbour there is only water
          D
To be talking to

VERSE 2:

D
I sold it to the trees I didn t know which
Em7
Way to go underneath the harbour waiting for the sun
              D
To settle down
D

```
I own it to your dreams they always seem
Em7
To bring me round waiting at the harbour there is only water
         D
To be talking to

BRIDGE:

A                       G                       D
Hold on now, all I wanna do is see you,
Em                              A                                      D6
but everybody is in just sitting round staring at the ceiling
D6                                        C
        B
What you gonna find in your mixed up minds when you re dreaming?
Em                      A                 D
Could be we re not like you at all

[The next bit is just the same as the verse but without the words]

BRIDGE:

A                       G                       D
Hold on now, all I wanna do is see you,
     Em                             A                                      D6
but everybody is in just sitting round staring at the ceiling
D6                                        C                                        B
Funny what you find in your mixed up mind when you re dreaming
Em              A                       D
Maybe we re not like you at all

Thats all ther vocals it now runs on for 6 minutes or so :)

NOTE-  Em7 = 022033
          D6  =  x57777
