Miracle Worker
SuperHeavy

Intro   **Ebm G#m**

Ebm
Now this one reaching out to all the lovers who might be thinking of breaking
up..huh,
or maybe, making uo... check it.

Ebm   **G#m**
I missed a part of you I can t get back.
Ebm   **G#m**
Dony be a siily nilly. I m always here for ya, through the thick and thin not
just
because we argue

Ebm   **G#m**
See I wanted to be true, but i can t do that.
Ebm   **G#m**
why not, what s stopping you? Don t be preposterous. I ve got a lot of love, not
just a lot of lust
Ebm   **G#m**
If i only wasn t a fool, I d be loving
Ebm
Well that s your own opinion, and you re entitiled to it
G#m
I ll be lost in oblivion, if we don t continue through it.

Ebm   **G#m**
There s nothing wrong with you i can t fix!
Ebm   **G#m**
I come a runnin with my little bag o tricks.
Ebm   **G#m**
In an emergency I m very well prepared.
Ebm   **C#**
My scapel, mask and gloves; dont ever get too scared

F#   **B**
Ooohooo, you re a Miracle Worker
F#   **B**
Ooohoo, you re a surgon of love(you have a medical condition)
F#   **B**
Ooohooo, can t wait to fix me up
        G#m   **C#**
And I promise I ll be back again, if you work your miracles on me.

Ebm G#m

```
Ebm                          G#m
Your mentality was freash, it touched my soul.
Ebm            G#m
Invigorating and refreshing, and intresting, and it feels right.
Ebm                              G#m
My heart was drowing in stress, but you brought out the best in me
Ebm                     G#m
Love has a tendenct, so I ve been told, and so it seems like.

Ebm                      G#m
My love and laser will regenerate your heart
Ebm                              G#m
No need for anesthetics, I ll go check your charts
Ebm                     G#m
I will reshape you, recast you from the mold
Ebm                          C#
A brand new beautiful woman will blossom from the old

F#               B
Ooohooo, you re a Miracle Worker
F#               B
Ooohoo, you re a surgon of love (you have a medical condition)
F#               B
Ooohooo, can t wait to fix me up
     G#m                          C#
And I promise I ll be back again, if you work your miracles on me.

(break) F# B F# B F# B G#m C#

F#                   B
Ooohooo, you re a Miracle Worker
F#                   B
Ooohoo, you re a surgon of love (you have a medical condition)
F#                   B
Ooohooo, can t wait to fix me up
     G#m                              C#
And I promise I ll be back again, if you work your miracles on me.
