A5  
I spent all my tragic days but it made me more confused  
F5  
What was really going on? Every step I did so blur  
Fig2  
A5

Many things I cannot leave pull me to an empty space  
F5  
I reach out beyond the line, hope to find another life

A5  
Good times and bad times I walk through, but at the end I will fall  
D5 C5 E5 F5 G5  
All of my sympathy disappears, it s turning useless

Reff:

O0000  
F5 E5  
The pain I try to live without  
A5 C5 F5 E5  
Stealing back memories that were mine  
A5 C5  
O0000  
F5 E5  
The tension makes me runaway  
D5 E5  
I feel less-powered and good friends are gone

A5  
Friends are easy come and go, think my life s is misery  
F5  
Hypocrite society, perfect people is not real  
A5  
You will never count at all, what I give and what I care  
F5  
And you ll always got the times, you got sick when I worked wrong
