C5 G#5 G5
Welcome
C5 G#5 G5
to the white town
C5 G#5 G5
Where money, lust and sex
C5 G#5 G5
Fuck up your mind
C5 G#5 G5
I fell down,
C5 G#5 G5
to the floor
C5 G#5 G5
In this crazy place
C5 G#5 G5
I met the ugly face

A#5 G#5
This desire always make me
G5 G#5
Cannot pretending
G5 G#5 G5
Or fighting just standing alone

C5
Gotta get outta this place
G#5
Man itâ€™s not what I want
A#5
All the reason to stay
G5
Is overrated and fake

C5
Itâ€™s too hard to survive
G#5
And too fast to realize
A#5

Come and go suck your blood

G5

To the last "till you're dead

G#5

A#5

In this land, of falling sky

G5

G#5

In this land, once I just Love so much

G#5

And it's time, will burn

A#5

All the memories
