

Don't Leave Me Now
Supertramp

(intro) **Em C D Bm Am**

Em

Dont leave me now

C **D** **Bm**

Leave me out in the pouring rain

C **Am**

With my back against the wall

D

Dont leave me now

Em

Dont leave me now

C **D** **Bm**

Leave me out with nowhere to go

C **Am**

And the shadows start to fall

D

Dont leave me now

(**Em C D Bm Am**)

Dont leave me now

Leave me out on this lonely road

As the wind begins to howl

Dont leave me now

Dont leave me now

All alone on this darkest night

Feeling old and cold and grey

Dont leave me now

Dont leave me now

Leave me holding an empty heart

As the curtain starts to fall

Dont leave me now

Dont leave me now

All alone in this crazy world

When Im old and cold and grey and time is gone...
