

Downstream
Supertramp

C#m7/A

Took a boat Sunday

D6

Down by the sea

C#m7/A

It just felt so nice

D6

You and me

Bm **Bm7/E**

We didn't have a problem

A **C#m/E**

Or a care on earth

Bm **Bm7/E**

And all around was silence

A **A7**

Everywhere.

C#m7/A

You are the reason

D6

I was born

C#m7/A

To be with you through all seasons

D6

I'll always hear you when you call

Bm **Bm7/E**

We'll keep the love light shining

A **C#m/E**

Through each night and day

Bm **Bm7/E**

A lonely life behind me

A **C#m/E**

Oh what a change you've made.

Bm **Bm7/E**

So down here on the ocean

A **C#m/G#** **F#m7**

We will stay, We will stay, we will stay.

Bm

Been through a lot of changes

E7

Turned a lot of pages

C#m7/A

When I took a boat on Sunday.

Piano Solo: **C#m7/A** **D6** (repeat until end of solo)

Bm **Bm7/E**
To know you as I know you now

A **C#m/E**
That is all I need

Bm **Bm7/E**
And we will get along somehow

A **C#m/E**
If we both believe.

Bm **Bm7/E**
So down here on the ocean

A **C#m/G#** **F#m7**
We will stay, we will stay, we will stay

Bm
Been through a lot of changes

E7
Turned a lot of pages

C#m7/A
When I took a boat on Sunday.
