

Goodbye Stranger
Supertramp

G# **B°7/Ab** **C#6G#**
It was an early morning yesterday
C#/G# **G#**
I was up before the dawn
G# **Bdim7/Ab** **C#6/G#**
And I really have enjoyed my stay
C#/G# **G#**
But I must be moving on

G#
Like a king without a castle
G#7
Like a queen without a throne
C#
I m an early morning lover
A#m7 **G#**
And I must be moving on

G# **Bdim7/Ab** **C#6/G#**
Now I believe in what you say
C#/G# **G#**
Is the undisputed truth
G# **Bdim7/Ab** **C#6/G#**
But I have to have things my own way
C#6 **G#**
To keep me in my youth

G#
Like a ship without an achor
G#7
Like a slave without a chain
C#
Just the thought of those sweet ladies
A#m7 **G#**
Sends a shiver through my veins

G#
And I will go on shining
G#7
Shining like brand new
C#
I ll never look behind me
A#m7 **G#**
My troubles will be few

G# **G#7**
Goodbye strange it s been nice

Will we ever meet again

G# **G#7**

Feel no sorrow, feel no shame

C# **A#m** **D#**

Come tomorrow, feel no pain

G# **G#7**

Goodbye Mary, Goodbye Jane

C# **A#m** **D#**

Will we ever meet again

G# **G#7**

Feel no sorrow, feel no shame

C# **A#m** **D#**

Come tomorrow, feel no pain

G#

Sweet devotion

G#7

It s not for me

C#

Just give me motion

A#m7

And set me free

G#

And the Land and the Ocean

G#7

Far Away

C#

It s the life I ve chosen

A#m7

Every Day

G# **G#7**

So goodbye mary, goodbye jane

G# **A#m** **D#**

Will we ever meet again

I believe, yes i ve got to get away
