```
                              024200
Bm                            A(addB)
Lady you coming  cross the water
Mister you better get a move on

                          F#m7
well don t you think you ought a
you better get a        fix on

               Bm
be waiting a while       are you acting
you better walk straight I said Lady

                     A(addB)
on what your heart has told you
oh take me if you        want me

                F#m7
is nothing gonna hold you from flying
wont you take as you find me oh Im need

            Bm        A(addB)            Bm
        way  Ah - Ha      flying away
ing your love so bad Im needing your love

                      302003
A(addB)                   G(addA)
Ha ah          flying away
so bad Im needing your love
```

```
Cause}  C           G                 C
and  } No where to go though the road is

                  G                  C
out stretching before you and the farther
    G              A
you go I said aint nothing gonna get you
   D                      A
to heaven I said Aint nothing gonna get
       D                  C        G
you to heaven and you know just who you
                 C
are and you know that there s something
```

```
  G                     C                   G
between us and you like what you feel but
        A                     D
I can tell you re not gonna turn back
            A
well I can tell that you re not gonna
  D                           A
turn back and don;t you know I m a little
 010000  334000
 C/D        G/D      C/D  G/D    A
bit    sad       /    /      / oh no
Em/  /   A/1.
