Supertramp - The Logical Song

[Verse]

**Dm** **Bb** **Am7**  
When I was young, it seemed that llfe was so wonderful,  
**C** **Bb**  
a miracle, oh it was beautiful, magical.  
**Dm** **Bb** **Am**  
And all the birds in the trees, well they d be singing so happily,  
**C** **Bb**  
Oh, joyfully, oh, playfully, watching me.  
**Dm** **Bb** **Am7**  
But then they sent me away, to teach me how to be sensible,  
**C** **Bb**  
logical, oh, responsible practical.  
**Dm** **Bb** **Am**  
And they showed me a world where I could be so dependable,  
**C** **Bb**  
oh, clinical, oh, intellectual, cynical.

[Chorus]

**F** **Dm**  
There are times when all the world s asleep,  
**Dm** **Bb** **Eb**  
the questions run too deep for such a simple man  
**F** **Dm**  
Won t you please, please tell me what we ve learned?  
**Dm** **Bb** **Eb**  
I know it sounds absurd. Please tell me who I am.

[Verse]

**Dm** **Bb** **Am7**  
Watch what you say or they ll be calling you a radical,  
**C** **Bb**  
a liberal, oh fanatical, criminal.  
**Dm** **Bb** **Am**  
Oh, won t you sign up your name, we d like to feel you re acceptable,  
**C** **Bb**  
respectable, oh, presentable, a vegetable!

[Chorus]

**F** **Dm**  
There are times, when all the world s asleep,  
**Bb** **Eb**  
the questions run too deep for such a simple man  
**F** **Dm**  
Won t you please, please tell me what we ve learned?

**Bb**

**Eb**

I know it sounds absurd. Please tell me who I am.
