

I Was Wrong
Surfer Blood

Verse:

Am **Em** **F** **C**
keeping up replies when I m on the road
Am **Em** **F** **C**
speak to me in rhymes speak to me in code
Am **Em** **F** **C**
what have you done to me lately my dear
Am **Em** **F**
if you re still a friend let me know

staying up all night with my ball and chain
all the bridges burn, speak to yellow flame
winning and losing or pushing away
if I fell apart would you stay?

Chorus

C **G** **F**
in a place riddled with liars and fools
C **G** **F**
you and i were taking the path we know
C **G** **F**
all along, i was wrong i was wrong, I m
C **G** **F**
moving on with or without

Verse:

cymbals shake my ears in the dead of night
smoke and mirror clubs with revolving lights
keeping good company let it all go
when i m finally home i ll let you know

Chorus
