>From the Live concert at Saint Joseph s.  
We ve tried and tried to figure this one out.  
It is as close as we ve gotten, but we can t find a copy of this song  
anywhere. Directly from the best show I ve seen in months...

Patrick played throughout with his Slammer Hamer with echo effects.  
Until the end, Eric played this with his Kramer guitar with the acoustic FX.  
I wouldn t try it with distortion because it is a mellow version.

=====

Verse 1:

**G D Em G D**

For anyone who was there in person, it is the experience of a lifetime.  
I loved the part where Eric s strap came off the guitar and he ended up  
holding the body with his right hand and playing the entire solo with his  
left. Awesome, huh?
