

Caught In The Game
Survivor

[Intro] C#m A E/G# E F#m

G B/G A/G G A
You swore you d never again, let yourself be tempted
G B/G A/G G B A
Too many times in the past when you ve opened up your heart
G B/G A/G G A
You ve had it broken in pieces, by too many lies
G B/G A/G G
Still it s hard to acknowledge the past
B A
When she flashes those eyes
C D
Over and over the song skips
C
Just as the final refrain fades away
D E C#m
Like fools we are caught in the game

A E/G#
Caught in the game
E F#m C#m
Caught in the game again
A E/G#
Caught in the game
E F#m
Caught in the game

G B/G A/G G A
I swore I d never again catch myself believin
G B/G A/G G B A
Too many times I ve been hurt and it makes you hard inside
G B/G A/G
But when I saw you in the city tonight
G G A B/G A/G G
Was it just imagination
G B A
Or did your eyes burn a little too bright
G B A
C D
For purely conversation
C
Over and over the lights flash down at the corner arcade
D E C#m
Swept away like fools we are caught in the game

C D

Over and over the song skips

C

Just as the final refrain fades away

D **E** **C#m**

Like fools we are caught in the game
