

Desperate Dreams
Survivor

This is a simplified version, there s alot of harmonies comin from the keyboards,

Anyhow, this is a version that sounds right when you sing along.

Original key D...

Every other verse round is picked as shown below.

Intro: PICKED: Hm C# D - G D/F# Em - D A

Intro simplified: **Hm - G - D - A**

Hm .	G	D	A
Hm			

Two dreamers, what would it feel like to meet by light of day
So lonely, wouldn't it feel right to love this night away

G **D**

Your name keeps echoing down this wishing well

Em A

Wild hearts on an endless flight, set free in our dreams tonight

D/F# G A

*Two souls drawn to the fire in desperate dreams

Two hearts lost to desire s desperate schemes

D/F# G

One girl lost in a reverie

A **D**

Lost love found in a memory

C

Those nights live on forever

A

Two fools lost in a desperate dream*

Torn pages, more than a memory, pieces of the past

One vision, your image keeps haunting me, a love too good to last

Your voice keeps echoing down this wishing well

Wild hearts on an endless flight, set free our dreams tonight

(* Repeat)

Solo: verse

EmF#GF#

One love divided

Hm

burns brightly through the night

G

A

Two dreams united until the morning light

(* Repeat)

After the last chorus you change the first Hm to D
