

Ever Since The World Began
Survivor

C Dm G/B
I ll never know what brought me here
C Am
as if somebody led my hand.
Dm
It seems I hardly had to steer
G/B G
my course was planned.
C Dm G/B
And destiny, it guides us all;
C Am
and by its hand we rise and fall
Dm
But only for a moment
G C
time enough to catch our breath again.

(refrão)
C Am
And we re just another piece of the puzzle,
F Em
just another part of the plan.
Dm Am
How one life touches the other
C F
is so hard to understand.
C Am
Still we walk this road together.
Dm Em F
We try and go as far as we can.
Dm Am G
And we have waited for this moment in time
Dm Em F C
ever since the world began.
C Dm G/B
Taken in the times gone by
C Am
we wonder how it all began

Dm G/B G
We never know, and still we try to understand.
C Dm G/B
And even though the seasons change,
C Am
the reasons shall remain the same.
Dm
It s love that keeps us holding on

till we can see the sun again.

And we re just another piece of the puzzle,

just another part of the plan.

And we have waited for this moment in time

ever since the world began.

And I stand alone

a man of stone

Against the driving rain.

And the night, it s got your number

and the wind, it cries your name.

And we search for clues,

win or lose,

in this we re all the same.

The hope still burns eternal ,

we re the keeper of the flame.
