## The One That Really Matters Survivor

Intro: B

B G D

I know your mind like the back of my hand,  $\boldsymbol{c}$ 

A race that I ran before.

Bm G D

Are you so blind that you d turn your back,

C Em

On love and slam the door.

C B E

If you re searching for something more,

A C

You have a good time.

Em G I

But if you d follow your heart,

C C

You re gonna find that I m...

G

The one, the one,

C D

The one that really matters,

r Et

The one that really cares,

C 1

The one, when your whole world is shattered,

C

Snap your fingers and I ll be there.

Bm

There s someone new,

D

He s your brand new toy,

G

You could break that poor boy in two,

B G

If that s your style,

D

I should have known from the start,

. .

This heart wants no part of you,

C Fill

But if you re still the same girl I knew,

C

All in good time,

Em C D

```
You re gonna follow your heart,
And you re gonna find I m still...
The one, the one,
The one that really matters,
The one that really cares,
The one, when your whole world is shattered,
Snap your fingers and I ll be there...
Solo 2x: Em C D
I know your mind like the back of my hand,
A race that I ran before.
           G
Are you so blind that you d turn your back,
                 Em
On love and slam the door.
If you re searching for something more,
You have a good time.
            G
But if you d follow your heart,
You re gonna find that I m
   G
The one, the one,
The one that really matters,
The one that really cares,
The one, when your whole world is shattered,
Snap your fingers and I ll be there.
   G
The one, the one,
The one that really matters,
The one that really cares,
The one, when your whole world is shattered,
```

Snap your fingers and I ll be there
