

**Im Sad And Im Lonely**  
**Susan Reed**

[Verse 1]

**D** **G** **D**  
I m sad and I m lonely, my heart it will break  
**G** **D** **A7** **D**  
My sweetheart loves another, Lord, I wish I was dead!  
**D** **G** **D**  
My cheeks once were red as the bloom on the rose  
**G** **D** **A7** **D**  
But now they re as white as the lily that grows

[Verse 2]

**D** **G** **D**  
Young ladies, take a warning, take a warning from me  
**G** **D** **A7** **D**  
Don t waste your affections on a young man so free  
**D** **G** **D**  
He ll hug you, he ll kiss you, he ll tell you more lies  
**G** **D** **A7** **D**  
Than the cross-ties on the railroad or the stars in the sky

[Outro]

**D** **G** **D**  
I m troubled, I m troubled, I m troubled in mind  
**G** **D** **A7** **D**  
If trouble don t kill me, I ll live a long time
