

Rock Me Right
Susan Tedeschi

E

You say you havent been rocked in a long, long time

Oh, good, hard rockin is so hard to find baby

A

Gonna make you sweat, gonna make you shout

E

Oh, your homemade lovin done knocked me out baby

E

Oh, now Ive looked long enough for you

And lets see if you know what Im fixin to do baby

A

Oh, you wanna little love and thats alright

E

Oh, your fruit aint rotten its oh so right

A

Oh now, your mama sure done raised you right

E

When it comes to home cookin you eat every bite

A

Take your sweet time... got all night...

B

A

B

E

Im gonna show you how to rock me right

A

Come on and rock me right...

E

Rock me right...

A

Rock me right...

B

A

B

E

Im gonna show you how to rock me right

Rock me right oh... oh lord...

(same chords as before)

Well your stomach starts growling, I know what you need baby

Oh, fix me up something salty and sweet

Oh, now homemade cookin always does the trick

Oh, your cotton aint rotten just needs to be picked
Oh now, your mama sure done raised you right
When it comes to home cookin you eat every bite
Take your sweet time... got all night...
Im gonna show you how to rock me right

Come on and rock me right...
Oh, rock me right...
Rock me right...
Im gonna show you how to rock me right
Oh, come on and rock me right lord...
Oh, rock me right now...
Yeah, rock me right...

Im gonna show you how to rock me right
Show me how you do it darlin...
Show me how you do it baby...
Rock me all night...
