              C#   **D#m**
If you hear something late at night
              C#   **B**
Some kind of trouble, some kind of fight
                  C#   **B**
Just don t ask me what it was
                  C#   **B**
Just don t ask me what it was
                  C#
Just don t ask me what it was

F#   **C#**   **B**
    I think it s because I m clumsy
              C#   **F#**
I try not to talk too loud
              C#   **B**
Maybe it s because I m crazy
              C#   **D#m**
I try not to act too proud
            C#   **D#m**
If only he hit until you cry
            C#   **B**
And after that you don t ask why
                  C#   **B**
You just don t argue anymore
                  C#   **B**
You just don t argue anymore
                  C#
You just don t argue anymore

                  C#                      D#m

I guess I d like to be alone
              C#                        B
With nothing broken, nothing thrown
           C#                 B

           C#
Just don t ask me how I am
