Age of sixteen I was on the road,
Doin' things you've never seen
(h)An I've been used; I've been confused,
Tryin' to live the life I lead

You can't put the blame on me
(h)I've been misunderstood
Never could get satisfied
Livin' how you think I should

Don't tell me what to do
And don't tell me how to spend my time
I ain't got nothin' to hide
I'm free to be what I wanna be
(h)An nobody owns my mind
I've got my sunshine eyes
And I've got my sunshine smile
I maybe lonesome at times
I'm free to be where I wanna be
And nobody owns my time
