The Race Is On - Suzi Quatro
[Intro]

[Verse 1]
Go ahead and laugh at me, try to be the
man you oughta be.
Bm
Baby, it s not hard to see what s going on.
Well, maybe we should celebrate, drink champagne,
why should we wait?
Why don t we ask some friends around, they can
help us play this game we found..let s bring
everybody down.
        E7
Will we ever be ready for what we re heading for?
[Chorus]
Here we stand like a couple of fools..and the race
  Α
is on.
Hand in hand as we break the rules..and the race
is on.
What s the cost to the one who lost when the race
     Α
goes wrong.
You may say, why begin, when we both can t win, but
the race goes on.
Hand in hand like a couple of fools and the race is on.

[Verse 2]
Well, surprise surprise, a few more lies, or do we
simply call them alibis?
This life we lead ain t fooling either one of us.
And while we re having so much fun let s not forget
the lonely ones.
     Bm
It s lonely falling out of love, this game we play
can be so rough.
                                 E7
Now maybe we ve gone far enough..are you sure you
know just what where heading for?
CHORUS:
Here we stand like a couple of fools..and the race
  Α
is on.
Hand in hand as we break the rules..and the race
is on.
What s the cost to the one who lost when the race
goes wrong.
You may say, why begin, when we both can t win, but
the race goes on.
Hand in hand like a couple of fools and the race is on.
