I KEEP COMIN BACK TO YOU (Beth Nielsen Chapman & Bill Lloyd)

[Actually in F#; capo 4. Each chord is about half a measure.]

Dsus D F E A A Dsus D G D
[intro]

Dsus D F E
Seems like after all we ve been through,
A A Dsus D
We would ve learned by now
Bm7 Bm7 E7 E7
Never to fight for who gets the last word
G G A A
It doesn t matter anyhow

Dsus D F E
But round and round we go in circles
A A Dsus D
Trying to work things through
Bm7 Bm7 E7 E7
Sometimes it feels like miles between us
G A D D
But I keep comin back to you

Bm7 Bm7 E7 E7
And it s rough, and it s tough, and it s harder than any-
G A D D
-thing I ve ever tried to do
Bm7 Bm7 E7 E7
But I love you so much that in spite of the struggle
G A Dsus D
I keep comin back to you

F E A A Dsus D G D
[instrumental]

Hold me now, just think about

This room that we've shared so long
We've studied the map of cracks in the ceiling
Talking till the break of dawn

Oh, there is something strong as history
Telling me this love is true
It says, follow your heart, and you'll be happy
So I keep coming back to you

And it's rough, and it's tough, and it's harder than any-
-thing I've ever tried to do
But I love you so much that in spite of the struggle
I keep coming back to you

And it's rough, and it's tough, and it's harder than any-
-thing I've ever tried to do
But I love you so much that in spite of the struggle
I keep coming back to you

F E A A Dsus D G D.
[instrumental]
