You changed your mind about me and what you thought you d found
D(9)          D(9)          D(9)          C(9)
Funny how it works that way, but I just couldn t see
      G              G              D(9)          D(9)
Any sign that you were pulling out on me
Bm7          A              G              G
I ve been in your shoes and I know how it feels
C              G              D              D
You say you love me, but that don t make it real
Bm7          A              G              G
I m better off knowing that you ll be gone for good
      C              G              D(9)          D(9)          C(9) - G          D(9)
Let s just let goodbye hurt like it should
  
```

One side of love doesn t get you anywhere  
 There s nothing worse than loving someone who s just not there  
 I know you searched for something here, can t say you didn t try  
 But feelings such as these don t just fall out of the sky

I ve been in your shoes and I know how it feels  
 You say you love me, but that don t make it real  
 I m better off knowing that you ll be gone for good  
 Let s just let goodbye hurt like it should

[Instrumental: **D(9)**]

I ve been in your shoes and I know how it feels  
You say you love me, but that don t make it real  
I m better off knowing now that you ll be gone for good  
Let s just let goodbye hurt like it should
