It sure looks like this love is winding down
      G#              G#              Eb(9)          Eb(9)
You changed your mind about me and what you thought you d found
Eb(9)          Eb(9)          Eb(9)          C#(9)
Funny how it works that way, but I just couldn t see
      G#              G#              Eb(9)          Eb(9)
Any sign that you were pulling out on me
      Cm7          Bb          G#              G#
I ve been in your shoes and I know how it feels
      C#              G#          Eb              Eb
You say you love me, but that don t make it real
      Cm7          Bb          G#              G#
I m better off knowing that you ll be gone for good
              C#          G#              Eb(9)          Eb(9)          C#(9) - G#          Eb(9)
Let s just let goodbye hurt like it should
  
```

One side of love doesn t get you anywhere
 There s nothing worse than loving someone who s just not there
 I know you searched for something here, can t say you didn t try
 But feelings such as these don t just fall out of the sky

I ve been in your shoes and I know how it feels
 You say you love me, but that don t make it real
 I m better off knowing that you ll be gone for good
 Let s just let goodbye hurt like it should

[Instrumental: **Eb(9)**]

I ve been in your shoes and I know how it feels
You say you love me, but that don t make it real
I m better off knowing now that you ll be gone for good
Let s just let goodbye hurt like it should
Let s just let goodbye hurt like it should
