      F              F              C(9)          C(9)
You changed your mind about me and what you thought you d found
C(9)          C(9)          C(9)          Bb(9)

      F              F              C(9)          C(9)
Any sign that you were pulling out on me

I ve been in your shoes and I know how it feels
Bb          F          C          C
You say you love me, but that don t make it real
Am7          G          F          F
I m better off knowing that you ll be gone for good
          Bb          F          C(9)          C(9)          Bb(9) - F          C(9)
Let s just let goodbye hurt like it should
  
```

One side of love doesn t get you anywhere
 There s nothing worse than loving someone who s just not there
 I know you searched for something here, can t say you didn t try
 But feelings such as these don t just fall out of the sky

I ve been in your shoes and I know how it feels
 You say you love me, but that don t make it real
 I m better off knowing that you ll be gone for good
 Let s just let goodbye hurt like it should

[Instrumental: **C(9)**]

I ve been in your shoes and I know how it feels
You say you love me, but that don t make it real
I m better off knowing now that you ll be gone for good
Let s just let goodbye hurt like it should
Let s just let goodbye hurt like it should
