Let s just let goodbye hurt like it should					

One side of love doesn t get you anywhere  
There s nothing worse than loving someone who s just not there  
I know you searched for something here, can t say you didn t try  
But feelings such as these don t just fall out of the sky

I ve been in your shoes and I know how it feels  
You say you love me, but that don t make it real  
I m better off knowing that you ll be gone for good  
Let s just let goodbye hurt like it should

[Instrumental: **E(9)**]

I ve been in your shoes and I know how it feels  
You say you love me, but that don t make it real  
I m better off knowing now that you ll be gone for good  
Let s just let goodbye hurt like it should
