[tab]C G F G C G F G  
[intro][\tab]

[tab]Am G/B C C F F G G  
In my heart there always crept a jealousy that never slept[\tab]  
[tab]Am G/B C C F F G G  
It lived on calls that never came, and whispers of another s name[\tab]  
[tab]Dm7 Dm7 G Am - G/B C C C C  
But your love is a light that shines so honestly[\tab]  
[tab]Dm7 Dm7 G G F F F F  
And now because of your true colors I can see[\tab]

[tab] C G F G  
No green eyes, no blue nights[\tab]  
[tab]C G F G  
No jealous heart and no little white lies[\tab]  
[tab] Am G/B C F  
You showed me what love looks like[\tab]  
[tab] Am G/B C D  
I had the colors all wrong, now they re right[\tab]  
[tab]C G F G C G F G  
No green eyes, no blue nights[\tab]

Your arms laid to rest the fear, and let suspicion disappear  
There are no ghosts of lovers past, just our love in the hourglass  
And what you give me is so constant and so surely mine  
That I can trust it s unconditional this time

No green eyes, no blue nights  
No jealous heart and no little white lies  
You showed me what love looks like  
I had the colors all wrong, now they re right

[tab]C G F G Am G/B C F

No green eyes, no blue nights[/tab]

[tab] Am G/B C D D

You showed me what love looks like[/tab]

[tab]C G F G C G F G C G F G C.

No green eyes, no blue nights, no green eyes[/tab]
