And I don t really care who s to blame
F# C# B Bbm
Cause if love won t fly on it s own free will
G#m C#ii F#
It s going to catch that outbound plane.

F# **C#** **B**
 The old folks say that love s not forever anymore
F# **C#** **B** **F#**
 Because these young people walk away from love, alone to pace the floor.
C# **B**
 Young or old I say that love is still the same
F# **C#** **B**
 And you may walk away from love but you won t fall over heels again.

CHORUS

B **Bbm**
 Two lonely hearts in this airport knowing,
G#m **C#ii**
 Neither one cares where the other heart is going
F# **C#** **B** **Bbm**
 But if love won t fly on it s own free will
G#m **C#ii** **F#**
 it s going to catch that outbound plane.

F# **C#** **B** **F#**
 That frown you re wearing s just your halo turned upside down.
C# **B** **F#**
 Where s the laughter we once shared back in the lost and found?
C# **B**
 These broken wings are going to leave me here to stand my ground
F# **B** **C#**
 And you can have this ticket, that lonely plane is flying out.
