

Love Will Save You
Swans

Gm
Love will save you when the ocean splits itself in two
Gm
Love will save you when the cold wind blows right through you
Gm
Love will save you when the poison eats the precious air
Gm
And love will save you from the snake that crawls around down there
F C Gm
But it won t save me

Gm
Love will save you from the evil and the greed of ignorant men
Gm
And love will save you from the guilt you feel when you
Gm
betray your only friend
Gm
Love will save you from yourself when you lose control
Gm
And love will save you from all the lies your lover ever told you
F C Gm
But it won t save me

Gm
Love will save you from the truth when you think you re free
Gm
Love will save you from the cold light of boring reality
Gm
Love will save you from the corruption of your lazy-minded soul
Gm
And love will save you from your selfish and distorted goals
F C D C Gm
But it won t save...

Gm
Love will save you from the black night and the lightning and the ghost
Gm
Love will save you from your misery, then tie you to the bloody post
Gm
Love will save you from the hands that pull you down beneath the sea
Gm
Love may save all you people, but it will never, never save me
F C D
But it won t save...

(just repeat **C D** until it fades/ends)
