Swedish house mafia just posted there sheet to the acoustic song of Don t You Worry Child, so I took the liberty and posting it here so it gets a little easier to play.

I don t own any of the content.
Listen to the song in the link to hear the right strumming.

Link to the acoustic version featuring John Martin.

Here you go!

-----Update 11.09.12-----
Changed some words and parts in the text and some of the chords.

-----Update 11.12.12-----
Changed D cord in the vers to A.

[Verse 1]

	Bm		G
There was a time, I used to look into my father s eyes			
	Bm		G
In a happy home, I was a king I had a gold throne			
	A	Bm	G
Those days are gone, now the memories are on the wall			

I hear the songs from the places where I was born

[Chorus]

Up on the hill across the blue lake,
thats where I had my first heart break
I still remember how it all changed
my father said
Don t you worry, don t you worry child
See heaven s got a plan for you
Don t you worry, don t you worry now
Yeah! Ooh ooh ooh oooooh!
Don t you worry, don t you worry now

[Verse 2]

There was a time, I met a girl of a different kind
We ruled the world,
I thought I ll never lose her out of sight, we were so young
I think of her now and then
Still hear the songs reminding me of a friend

[Chorus]

Up on the hill across the blue lake,
thats where I had my first heart break
I still remember how it all changed
my father said
Don t you worry, don t you worry child

[Outro]

We Came! We Raved, We Loved!

Thanks !
