

Wait
Sweeney Todd

F
Easy now.
Gm
Hush, love, hush.
F
Don t distress yourself,
Gm
What s your rush?
F
Keep your thoughts
Gm
Nice and lush.
D# / F (Not sure, either one works for me)
Wait.

(**F Gm** x3)
Hush, love, hush.
Think it through.
Once it bubbles,
Then what s to do?
Watch it close.
Let it brew.
D# / F (Once again, either one works for me)
Wait.

C#m
I ve been thinking, flowers--
A
Maybe daisies--
C#m
To brighten up the room.
A C#m
Don t you think some flowers,
A
Pretty daisies,
C#m
Might relieve the gloom?
A F
Ah, wait, love, wait.

F
Slow, love, slow.
Gm
Time s so fast.
F
Now goes quickly--
Gm

See, now it s past!

F

Soon will come.

Gm

Soon will last.

F

Wait.

F

Don t you know,

Gm

Silly man,

F

Half the fun is to

Gm

Plan the plan?

F

All good things come to

Gm

Those who can

F

Wait.

F

Gillyflowers, maybe,

Gm

stead of daisies.

F

I don t know, though.

Gm F

What do you think?
