**Sweet**

Big Apple Waltz

**D** **G**  
Manhattan Skyline surround me  
**D** **Bm**  
Just like a lady, you re still holding  
**G** **A**  
Your light burning for me to see  
**Bm** **C**  
Cause Iâ€™d do most anything  
**Bm** **G** **A** **G** **A**  
for all those nights that you bring to me. All of your love

**D** **A** **Bm** **G** **A**  
I ve been so long, in the city  
**Bm** **G** **D** **A**  
The city has been, so long inside of me  
**Bm** **A** **G** **Bm**  
Been so long, it s a pity, I m so far away  
**D** **A** **G**  
But I still do, the Big Apple Waltz

**D** **G**  
I buy an empire, in any state  
**D** **Bm**  
Building the future, around you  
**G** **A**  
Cause where love grows, it s never too late  
**Bm** **C**  
We ll paint a heart, on the wall  
**Bm** **G** **A** **G** **A**  
For the whole of the world to see. All of our love

**D** **A** **Bm** **G** **A**  
I ve been so long, in the city  
**Bm** **G** **D** **A**  
The city has been, so long inside of me  
**Bm** **A** **G** **Bm**  
Been so long, it s a pity, I m so far away  
**D** **A** **G**  
But I still do, the Big Apple Waltz

**G** **D** **G** **Bm**  
Loving you, is my feeling of dejÃ;vu
