Intro.: |(G) |(G) |(G) / / (Em/G)|(G)

Let me (G)lay you down, where we can t be found
Somewhere in the (C)dark, out where the (C/A)wild things (G)are
In the midnight mist, I will steal your kiss
If we get that (C)far, out where the (C/A)wild thins (G)are

It s gonna be (D)alright, we re gonna have a (C)good night
We (C/A)got A little (G)starshine

Chorus:es

(C) Even if the sky is fallin , it only means heaven s (C/A)come down (G)u,-
(C) And when we hear the angels callin , they re singing bout the love that (C/A)
)we found (G)
It s gonna be (D)alright, gonna have a (C)good night
And (C/A)got A little (G)starshine

Let me (G)free your mind, if you just might find
That way down in your (C)heart, (the heart) that s where the (C/A)wild things (G)
)are
It s gonna be (D)alright, we re gonna have a (C)good night
We (C/A)got A little (G)starshine

2 x Chorus:es

(C) Even if the sky is fallin , it only means heaven s (C/A)come down (G)u,-
(C) And when we hear the angels callin , they re singing bout the love that (C/A)
)we found (G)
It s gonna be (D)alright, gonna have a (C)good night
And (C/A)got a little (G)starshine, yeah (Oh, yeah)

(Tag)

It s gonna be (D)alright, (Em)gonna have a (C)good night
