

King City
Swim Deep

No capo

[Verse 1]

D# **B**
I wanna be everything that I m not
F# **C#**
I wanna be rich, I wanna show off
D# **B**
Just a desperado, with a sour twist
F# **C#**
It ll all come sweet on your lips
D# **B**
Cause I m in love, so old
F# **C#**
Put your flowers down, it s too cold
D# **B**
F*** your romance, I wanna pretend
F# **C#**
That Jenny Lee Lindberg is my girlfriend

[Chorus]

D# B F# **C#**
With the sun on my back it s a nice day
D# B F# **C#**
I will never to choose any other way
D# B F# **C#**
With the sun on my back it s a nice day
D# B F# **C#**
I will never to choose any other way

[Verse 2]

I need to come home to see my friends
I need to come down to feel insane
I know I m not cool right now
I m as high as a fool, I m outta sight now
Cause I m in love, so old
Put your flowers down, it s too cold
F*** your romance, I wanna pretend
That Jenny Lee Lindberg is my girlfriend
With the sun on my back it s a nice day
I will never to choose any other way

[Chorus]

D# B F# **C#**
With the sun on my back it s a nice day

D# B F#

C#

I will never to choose any other way

D# B F#

C#

With the sun on my back it s a nice day

D# B F#

C#

I will never to choose any other way
