```
She Changes The Weather
Swim Deep
[Verse]
 She takes my time,
She grows the flowers in my mind,
              A C D
She makes it shine in my mood.
She makes me trip,
The words just fall out of my lips,
                    C
     Α
And I forgot how to lie.
A song reminds me
As I track my life
It s easy as three-sixty nine, three-sixty nine.
[Instrumental]
G Em D C Em D (x4)
[Chorus]
Seen it all but I ve seen nothing yet
Cause I forget
Do I know or do I think I know?
       C
            Em
It s so real,
It s so clear
                 Em
She takes my time and I don t mind
She makes me feel like
Like I can see for miles.
She changes the weather in my world
```
