Song: Candy in the Sun
By: Swirl 360
Last Updated: 12/06/99

Chords used: **Ab, Bb, C, C#, Eb, Eb/G, F, F/A**

Recommended chord postitions:

- [Ab] - 466544
- [Bb] - 688766 or x13331
- [C] - x32010 or x35553
- [C#] - x46664
- [Eb] - x65343 or x68886
- [Eb/G] - 365343
- [F] - 133211
- [F/A] - 587565

Styles:

- Fingerpicking/Strumming
Not a song with alot of noticable guitar, but nonetheless, go ahead and strum to it! Pack some light distortion into it.

- Beat
Very fast... about 140... i dunno...

- Effects
Verse: Chorus/Flanger or AutoWah Effect
Bridge: Chorus/Flanger w/ Distortion or just plain distortion
Chorus: Distorion

Notes:

- This song was pretty hard to get. I got the basic pattern, my dad helped me get the quick complicated parts! What a beautiful song to listen to and play.
