

Beautiful Letdown
Switchfoot

```
=====
The Beautiful Letdown---Switchfoot-----Transferred by Asa Gaston
=====
```

Verse - **E, Esus**

Pre-chorus - **A7/E, A2, A7/E, B2**

Chorus - **E, Esus**

Bridge (Easy livin) - E, Esus - C*, D*, E

It may sound a little strange, because the bass plays a few things differently than the guitar progression goes. However, this way works best when playing just with one guitar. Hope I haven't left anything out, but if I have, it's probably pretty much the same as above.

Here are the chords:

E: 022100
Esus: 022200
A7/E: 0x2120
A2: x02200
B2: 024400
C*: x35500
D*: x57700
