## Beautiful Letdown Switchfoot

=======================================	
The Beautifal LetdownSwitchfoot	-Transfered by Asa Gaston

Verse - E, Esus

Pre-chorus - A7/E, A2, A7/E, B2

Chorus - E, Esus

Bridge (Easy livin ) - E, Esus - C\*, D\*, E

It may sound a little strange, because the bass plays a few things differently than the guitar progression goes. However, this way works best when playing just with one guitar. Hope I haven t left anything out, but if I have, it s probably pretty much the same as above.

Here are the chords:

E: 022100
Esus: 022200
A7/E: 0x2120
A2: x02200
B2: 024400
C\*: x35500
D\*: x57700
