

And all the distractions fade away

C

And if the house burns down tonight

C

I got everything I need with you by my side

G

I see the smoke piling up in the rear view mirror

G

Yeah but I ain't ever seen it any clearer

C

And if the house burns down tonight

C

Em

I got everything I need when I got you by my side

Em

And let the rest burn

C

And let the rest burn

G

And let the rest burn

verse 2

Em

I've given too much of my heart away

C

G

My soul's holding on like a house divided

Em

Like a match it burns down like a masquerade

C

G

And I had to let it go when the fire ignited

Em

C

G

One heart, two hands, your life is all you hold

Em

C

G

To hold, hold tight and let the bitter go

Em

G

Yeah let it go, and give me the fire

G

The smoke tries choking the pacific sun

G

We rocket down the road like we're shot out of guns

C

And if the house burns down tonight

C

I got everything I need with you by my side

G

Holding you and the wheel and it occurs to me

G

We're driving down the edge of eternity

C

And if the house burns down tonight

C

Em

I got everything I need when I got you by my side

C

And let the rest burn

Em C G

And let the rest burn

Put your hand in mine and

Em C G

Put your heart in driving

G

We got everything we need yeah

Em C G

We got everything we need yeah

G

Left it all behind us

Em C G

What we need will find us

G

We got everything we need yeah

Em C G

We got everything we need yeah

G

Can you hear that motor running

Em C G

Can you hear that motor running

G

There ain?t no stopping us now

Em C G

There ain?t no slowing us down

G

Can you hear that motor running

Em C

Can you hear that motor run, run, run

G

And all those lies that mattered most to me

G

Were draining me dry making a ghost of me

C

And if the house burns down tonight

C

I got everything I need, everything I need

G

There's a fire coming that we all will go through

G

You possess your possessions or they possess you

C

And if the house burns down tonight

Em

I got everything I need when I got you by my side

C

And let the rest burn
